# Malaysia's National Day Pinwheel

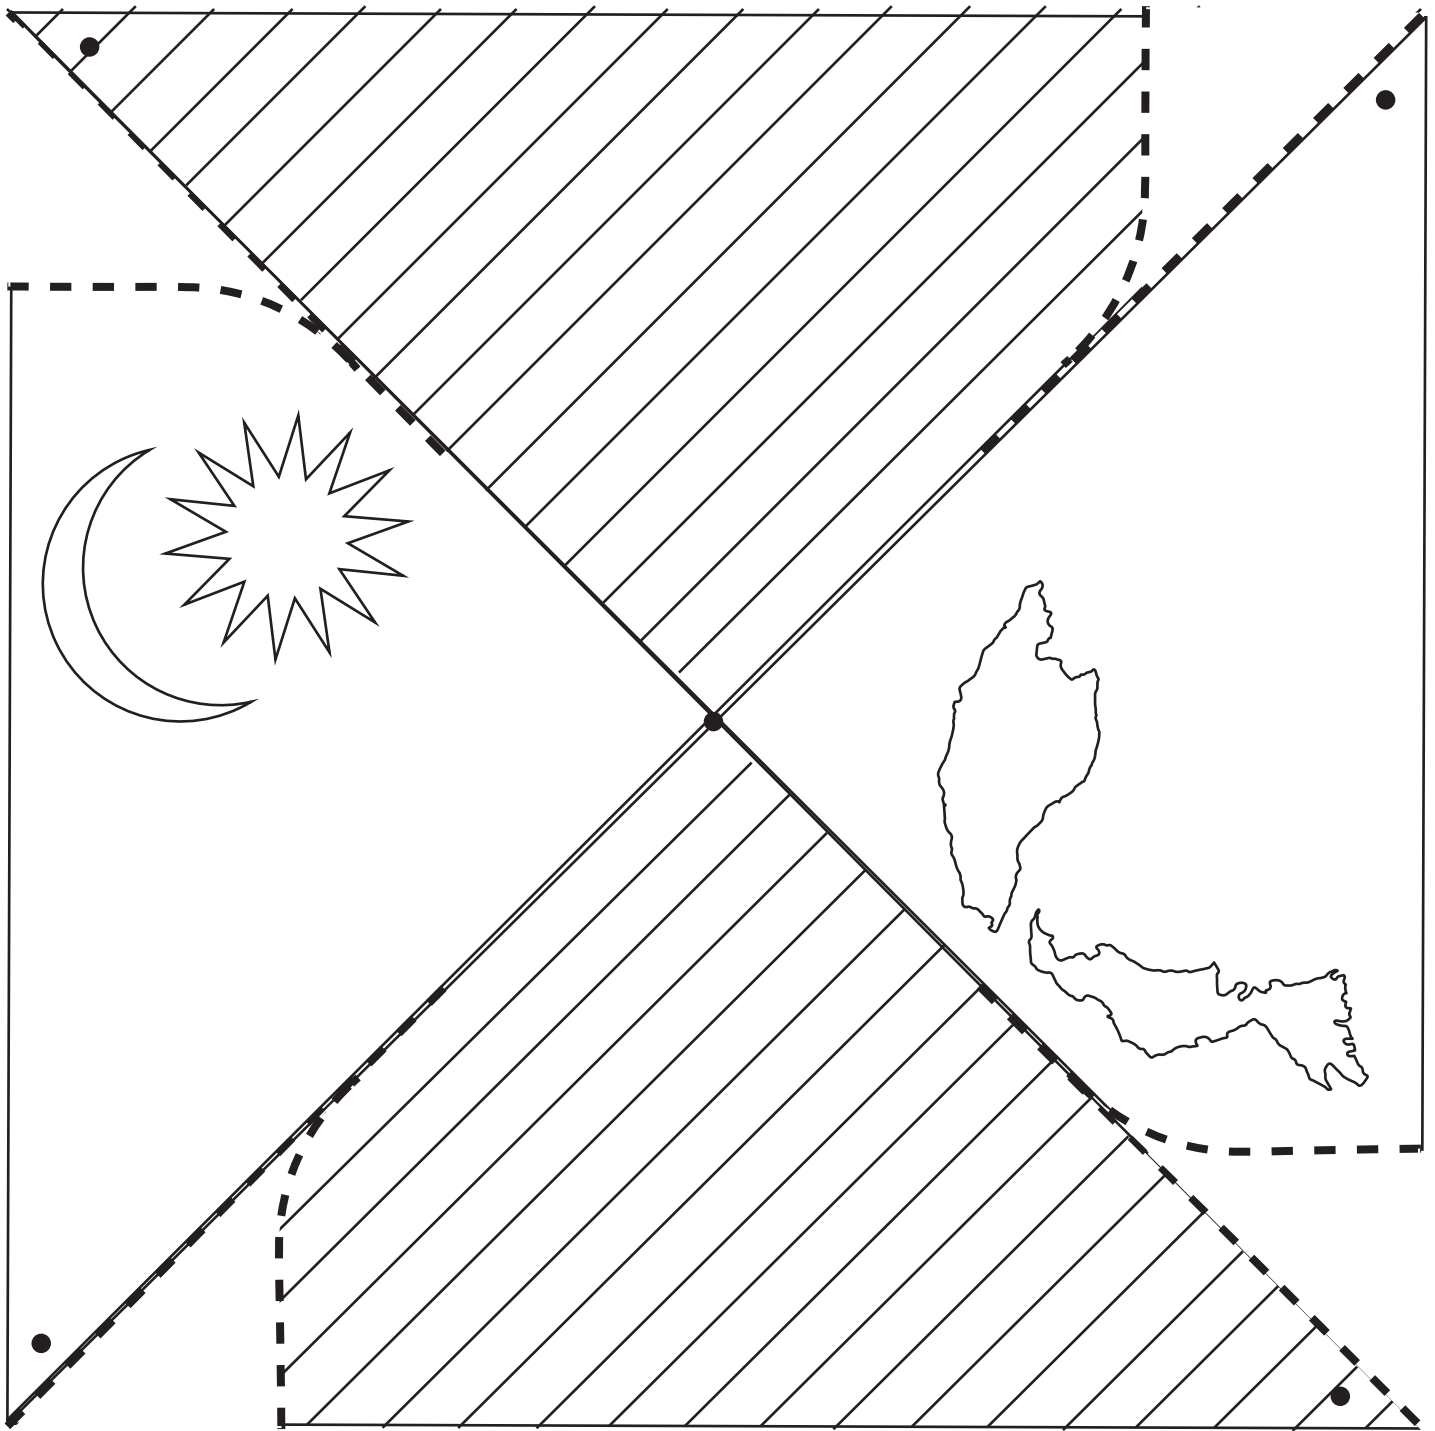

You'll need

Scissors, hole punch, a piece of straw and 2-prong pin (or thumb pin with a piece of modelling clay at back)

Instructions

1. Download the printable and print in color on white paper or card.
2. Cut out the pinwheel making sure to cut between the areas on the dotted line
3. Punch holes through all black dots.
4. Punch a hole through the plastic straw, about an inch from the top.
5. Bring the corners of the pinwheel towards the centre so the holes overlap.
6. Insert and secure a pin through the holes and the straw.
7. You're done! Let the pinwheel spins in strong wind.
